

**The staff and students of Exeter High School
Invite the Class of 2020
To
Freshman Orientation
Wednesday, August 24, 2016
7:30 am – 11:30 am**

The purpose of this orientation is to make the transition from middle school to high school a positive one. Students will get to meet some teachers and administrators. They will also get a chance to walk their schedule to help ease any concerns about navigating EHS on the first day of school.

Hawk Crew Leaders (current EHS seniors and juniors) will be serving as leaders and mentors to the freshman both at Orientation and throughout the year. The day will be busy and active so wear comfortable clothes and don't bring all your stuff...travel light. We suggest bringing a water bottle with you.

This is an important day for new freshman so bus transportation will be provided. This will be the same bus you will be riding during the normal school year, Bus information can be found on our website <http://ehs.sau16.org> starting August 15.

We look forward to seeing you on orientation day!

EHS Hawk Crew Coordinators
