

Electronics Recycling Fundraiser

Please help support the Exeter High School Class of 2018

Will the holidays be bringing a new camera, laptop, cell phone or TV to your home?

Recycle your old ones now!

We will also accept desktop computers, batteries, electrical and computer components, fax machines, monitors, router, power cables, printers, modems and scanners.

Most electronics cannot be disposed of in household trash. You will need to pay to dispose of it. By bringing your unused electronics to our Recycling Fundraiser, you can help us raise funds *and* help the environment!

The Exeter High School Senior Class is working with Universal Recycling Technologies of Dover NH to recycle old electronic equipment. The cost to you will be from \$5 (small items) up to \$50 (for larger televisions and equipment)

~~ Saturday, November 18th ~~
9 am to 2 pm -- rain, snow or shine
at the Exeter Bandstand in Exeter NH

So, clean out your attic, basement or garage!
Tell your friends, family and neighbors!
Recycle and help support EHS Class of 2018!
Exeter High School seniors will be there to carry your items. You don't even need to leave your car!

No electronics to recycle?
We will also be selling boxes of Krispie Kreme donuts!

Cash and checks will be accepted for recycling fees and donuts. If you cannot attend this event, but would like to support the EHS Class of 2018 Project After-Prom and Project After-Grad, checks may be made payable to EHS Class of 2018 and mailed to Exeter High School, c/o Mark Kinton, 1 Blue Hawk Drive, Exeter NH 03833.

Donations are tax deductible.

For questions please email Mark at mkinton@sau16.org or call 603-395-2544.
