Student Parking Lots are off limits during all emergency procedures. Students cannot go to these areas unless or until administrative approval is given. During an emergency evacuation you may be required to ride a bus and your vehicle will remain at school until the campus is cleared. Violation of this rule will result in the loss of your parking privilege.

Students with parking permits may only park in authorized designated areas. All students with a valid parking permit are required to pick up a map of authorized designated areas prior to parking on school property. *Those areas are outlined on the map provided.*

After a student has arrived at school, Underclassmen MAY NOT return to their vehicle without permission from an administrator.

Exeter High School parking privileges and/or permits may be revoked or suspended by the administration for the following reasons:

- **Chronic or habitual tardiness to school. On 7th tardy and beyond per quarter, you may lose your parking privilege for an extended period of time to be determined by the appropriate administrator.**
- **Excessive detention cuts**
- Chronic or habitual violators of parking regulations (including not displaying student ID tag)

- Reckless driving
- Failing to meet all student obligations
- Use of cell phone while driving on campus may result in loss of parking privilege.
- Using or transporting alcoholic beverages or illegal drugs and/or drug paraphernalia

Report any lost or stolen parking permits to the administration. A replacement permit will be issued at a cost of \$25.00.

Parking for all motor vehicles unless otherwise specified is prohibited in all parking lots. Vehicles parked in prohibited areas during snow removal may be towed at the owner's expense.

Courteous, safe and responsible driving rules apply at school and in the vicinity of the school. Driving recklessly will result in a loss of driving privileges.

The bus-loading zone is closed to traffic during loading and unloading. It is illegal to pass a stopped school bus that is displaying its lights or extended stop sign. Bus drivers will report offenders to the Exeter Police Department.

All vehicles on campus are subject to search at any time.

Vehicles found in violation of the provisions of these regulations may be towed from the campus at the "registered owner's" risk and expense. The "registered owner" of the vehicle will be liable for the cost of such removal and storage. Damage to towed vehicles will be the responsibility of the vehicle owner.
