

EXETER HIGH SCHOOL
Underclassmen Final Assessment Schedule and Information
June 2018

Final assessments are required for all EHS students during these class periods as we believe it is important for our students to have a culminating demonstration of understanding or reflection of learning. This includes, but is not limited to, exams, essays, papers, presentations, narratives, reflections, labs, demonstrations, etc. These types of assessment will be consistent by named courses and approved by departments. The grade earned will be 5% of the final grade for full-year courses (10% of the grade for semester courses). Students must be present for these assessments as scheduled.*
*The student's Assistant Principal may grant excused absences for illness. Unexcused absences will result in a zero for that assessment.
